

PRODUCT SPECIFICATION.

SOUTHERN CROSS ZIP LADIES

522761 ▶

Description: 150mm zip and lace up ankle boot with padded collar and tongue.

Upper Materials: Premium New Zealand water-resistant leather stitched with nylon thread.

Non-corrosive lacing

Toe Cap: 200J Safety Steel.

Lining Materials: This boot is lined with Baltico®, which is a soft, non-abrasive, hydrophobic material that wicks perspiration away from the foot, enabling the skin to remain cool and dry.

Full Innersole: A full length footbed that is inserted into the footwear to offer additional support and comfort. This footbed is made from soft polyurethane that will retain its shape and thickness throughout the life of the boot.

Insole: Heavy-duty, flexible anti-bacterial non-woven insole.

Midssole: Directly moulded Polyurethane midssole for greater shock absorption.

Outsole: Oil and acid resistant nitrile rubber outsole, which is heat resistant to 300°C (572°F).

Trisole™ Comfort Technology Soling System:

The Steel Blue soling system is a patented three density soling system that offers a high level of comfort, shock absorbency and energy return. The system uses PORON® an energy absorbing pads under the pressure points of the foot to give the wearer superior comfort and offers similar shock absorbency and comfort to sports footwear.

SOUTHERN CROSS ZIP LADIES (522761) FEATURES:
